 - **Concurrency**
- 2:30 PM Break (15 minutes)**

2:45 PM T-4 Continued

3:30 PM CAT Meeting Preview (15 minutes)

3:45 PM Public Comment (10 minutes)

3:55 PM Next Steps, Logistics, and Schedule Information (20 minutes)

4:15 PM Adjourn

Department of Ecology: Parking Information

300 Desmond Drive SE, Olympia, WA

http://www.ecy.wa.gov/images/offices/map_hq_swro.pdf

We encourage you to carpool when possible as parking space at Ecology is somewhat limited. If you have trouble finding a space, call reception at 360 407-6000. There are three options for parking at Ecology:

First Choice: There is **visitor parking** on the left past the main entrance. If that first visitor area is full, continue on past that lot and turn right. There is **more visitor parking** along the side of the parking garage on the left side of that road.

Second Choice: If visitor parking is full, continue on past the garage to the outdoor employee parking lot behind the parking garage and park in any **extra space** that is not marked as "reserved" or with some other indicator. Numbered parking spots are fine. Please read the indicators carefully.

Third Choice: You may also park **behind Sawyer Hall**. If you have struck out on the first two parking options, exit from the Ecology campus, but instead of turning right at Desmond Drive to go back to the Martin Way and the freeway, turn left and follow the road towards the U.S. Fish and Wildlife offices in Sawyer Hall. As you approach those buildings (the first one is Sawyer) turn off to the right and proceed to the parking lot behind the building. You may park in any spot except as specifically marked. You will need to walk back to the Ecology Building and enter at the main entrance. The road to Sawyer Hall is the red line at left on this map, (not to scale).
